

The generous contributions of these community-minded event sponsors make it possible for the Light of Liberty celebration to be free for children 5 and under, for active duty Springfield military personnel, their spouses and children,\* and for Springfield veterans – and nearly free for everyone else! SUB and its customers sincerely thank all Light of Liberty sponsors for their kind support.

Our deepest appreciation to the following event donors, whose significant cash and in-kind contributions, along with those of our sponsors, make it possible for SUB to donate 100% of the event proceeds to Project Share, a program that helps seniors and low-income Springfielders with wintertime heating emergencies. On behalf of all those who will have a warmer winter because of your generosity – thank you!
