REBATE INFORMATION

To be eligible for this rebate, new appliances must be ENERGY STAR® qualified. Electric Water Heaters must have .93 E.F.

Look for the ENERGY STAR® sticker on products or ask a salesperson to help you select qualifying appliances. Complete this form, include brand name and model number, and attach a copy of your paid receipt. Use separate forms for different installation sites. Appliances must be installed in the Springfield Utility Board service area to be eligible. Valid within 60 days of purchase only. Programs subject to change. Valid through December 31, 2009.

I certify that the appliances listed were purchased for installation at the specified address and meet program standards.

I also certify that any eligible appliances will be supplied by an electric water heater and that I will allow a representative of the Springfield Utility Board to verify the above information on request.
