

**MANUFACTURED HOME SUPER GOOD CENTS  
INCENTIVE ELECTION FORM**

Dear Customer,

Congratulations on choosing the Super Good Cents package as part of your new home purchase. We'd like to offer you a \$600 incentive to help offset the initial cost for that package. SUB is able to offer this incentive based on the energy savings your new home will produce.

Please indicate below whether you'd like to have us send the incentive to you or to the dealer you have purchased your new home from.

Once the dealer sends this form to us and your home has been installed, we will call you and set up a time to visit your new home site. After the inspection has been completed, the incentive funds will be disbursed.

If you have any questions, please feel free to call our office at 746-0963.

Thank you,

Springfield Utility Board  
Energy & Conservation Services
