Payee Mailing Address	City	State	Zip	
Facility Authorized Representative (Print)	Facility Authorized Signature		Date	

Sign both above & on next page to acknowledge & accept Incentive Information & Program Terms & Conditions

SECTION 3	INCENTIVE INFORMATION
-----------	-----------------------

A. Pre-approval by SUB is required for your project to be eligible for incentives.

Before removal of old equipment and purchase of new, SUB must verify pre-existing equipment, approve proposed equipment, and determine eligibility to accurately estimate your incentive, and to offer suggestions to maximize your incentive and cost savings. Final incentive amount is determined by verification of equipment at final inspection.

B. Standard Incentive amounts will be adjusted by the following formulas:

<u>if Standard Incentive is in this range:</u>	<u>then Adjusted Incentive is Calculated by this formula:</u>
\$0 – \$10,000	50% × Standard Incentive,
\$10,000 – \$50,000	\$2,500 + 25% × Standard Incentive,
\$50,000 – \$200,000	\$10,000 + 10% × Standard Incentive,
\$200,000 – \$500,000	\$20,000 + 5% × Standard Incentive.

SUB pays the calculated Adjusted Incentive.

This applies cumulatively to all projects of all types at one location for two years that receive SUB incentives.

C. Lighting incentives are determined using the most current SUB Lighting Calculator available upon request, with Standard Incentives subject to adjustment as stated above. SUB’s Lighting Calculator is a modified version of BPA’s—please use only SUB’s version for projects in Springfield and Glenwood.

Contractors are encouraged to submit the current version of the SUB Calculator for each specific project.

D. Other Measures listed in BPA’s current Implementation Manual at www.bpa.gov/EE/Policy/IManual/Pages/default.aspx may be eligible for incentives—always contact SUB to confirm availability of incentive and amount.

SUB program offerings differ from BPA’s and are subject to change without notice.

Standard Incentives are subject to adjustment as stated above.

SECTION 4**TERMS AND CONDITIONS**

- A. Scope of Work:** Participant agrees to have Measures installed in accordance with SUB Program Requirements, and as described, specified, and quantified in the following required documents provided by contractor and/or Participant:
- ✓ Description of Measures to be installed detailed on contractor's or vendor's bid, quote, proposal or estimate.
 - ✓ Manufacturer spec. sheets identifying equipment as DesignLights Consortium® or ENERGY STAR® qualifying.
 - ✓ Lamp and PCB Ballast disposal certification documenting proper handling of hazardous materials.
- B. Timely Completion:** SUB shall reserve incentive funds for no more than 4 months after SUB approves application. If installation is not complete, or disposal certification or invoice are not provided within 4 months, incentive funds will be reallocated and unavailable for this project. Contact SUB in writing in advance to request extension.
- C. Inspection:** Participant acknowledges and allows access by SUB staff or official designee to conduct on-site inspections and Measurement and Verification of installed Measures.
- D. Award of Funds:** Upon final inspection and verification of approved Measures and upon receipt of project invoices (labor and materials) and disposal certification (if applicable), SUB agrees to award payment in the amount indicated by the current version of SUB's Lighting Calculator (less adjustments) or SUB's offering for the measures in BPA's most current Implementation Manual (less adjustments.) The incentive payments may be limited 1) to not exceed 50% of the total installed cost of the Measures, and 2) to not exceed the stipulated maximum \$/kWh limit.
- E. Taxability of Incentives:** SUB may be required by law to report any incentive amount to the Internal Revenue Service. Please consult your tax professional on the tax issues of receiving a SUB incentive. SUB is not responsible for any tax liability as a result of any incentive paid.
- F. Guarantee/Warranty:** Participant acknowledges that SUB makes no guarantee or warranty whatsoever, express or implied, as to the fitness, design or capability of the material, equipment or workmanship in any product or installation.
- G. Hold Harmless:** Participant hereby agrees, on behalf of self and/or company, corporate officers, employees, agents, assigns and successors of interest, to hold harmless, indemnify and defend SUB, and its officials, employees, agents and assigns from and against any and all actions, causes of action, claims, damages and costs arising out of, or in any way connected with, the provision of design assistance and financial assistance for the project subject to this Agreement.
- H. Permits and Codes:** Participant agrees to secure permits and comply with all applicable federal, state, and local codes and requirements in the design and installation of energy efficient Measures. Where permits are required, installation must be approved by appropriate building officials. Participant agrees to maintain compliance documents on file and make them available for review if requested. Participant acknowledges SUB's right to contact appropriate federal, state, or local jurisdictions regarding environmental, health, and safety matters related to participating Energy Efficiency projects.
- I. Distribution of Benefits:** Participant relinquishes and grants to SUB all credits, reductions, offsets, reporting rights and savings pertaining to carbon, CO₂, greenhouse gases, emissions, kWh energy, efficiency and any other related environmental benefits. Participant's sole benefit is any reduced energy cost resulting from Measures.

SECTION 5**CUSTOMER SIGNATURE**

I understand that this is an application only and SUB is under no obligation to provide payment until Participant's proposal is approved, equipment is installed, and final inspection by SUB is completed and approved. I understand that before paying the incentive SUB must receive copies of the final invoice(s), and certificate of proper disposal of hazardous materials. I have read and understand the Incentive Information (Section 3) and agree to comply with the Terms and Conditions (Section 4) on this form. By signature below, I hereby acknowledge and declare that I have the authority to execute this Agreement and have been duly authorized to enter into this Agreement.
