

Time to Change Things up!

Want an easy way to donate to Project SHARE, a fund that helps low- and fixed-income Springfielders with wintertime heating emergencies?

Just check the “Round Up” box on the reverse side and each month, SUB will round up your utility bill to the nearest dollar. All change is donated to Project SHARE!

It’s just a few pennies each month, but together with your neighbors’ pennies, they add up to serious, welcome help for some of the most vulnerable in our community.
