
**SUB WATER DIVISION
MEMORANDUM**

TO: All concerned parties

FROM: Springfield Utility Board – Water Division

DATE: January 23, 2018

SUBJECT: **Revision 2. Water Division Standard Construction specifications and Drawings update.**

The following items were updated in the Standard Construction Specifications for the purposes of an annual review and preparing the documents for use on the Springfield Utility Board website.

- Convert Standard Construction Specifications to Construction Specifications Institute (CSI) format
- Update all Standard Drawings with new accepted materials/practices.
- Creation of Cathodic protection Standards (W1.22 thru 1.22.3)
- Deletion of no longer accepted anchor block standard W1.25
